WEEK 1.b:

Hello everyone,

My name is Harshita Gogia, and I am from Patel Nagar, Dehradun. I am currently in my pre-final year, pursuing a BTech in Computer Science and Engineering at Graphic Era Hill University, Dehradun. I completed my schooling at St. Jude's School, Dehradun, where I developed a strong foundation in PCM and Computers.

I come from a supportive and loving family that has always encouraged me to work hard and strive for excellence. Their guidance has played a crucial role in shaping my aspirations and values.

My goal is to secure a position in a well-known organization where I can apply my technical knowledge and skills in software development and cloud computing. In the long run, I aim to attain a leadership role in my profession, contributing to technological advancements and innovations.

I believe in dedication, perseverance, and continuous learning, and I am eager to embrace new opportunities that will help me grow both personally and professionally.

Thank you for your time!
